

Caratos

COMPLEMENTS

2018

Antonio Citterio

Description

Classic yet contemporary, the Caratos bench is a versatile piece of furniture matching sofas and chairs in the living area, but also fitting discreetly into the sleeping area. The bench echoes the typical base of the Caratos collection, an iconic die-cast aluminium frame available in various finishes, to be combined with a fabric or leather seat cover. The latter, in particular, enhances the sophisticated nature of the bench, giving it a “saddlery” look.

Technical information

Internal frame
tubular steel and steel profiles
Internal frame upholstery
