Antonio Citterio

Description

A comfortable hollow shape, in two sizes, that stands on a series of bases that create the overall character. The combination of these elements produces a family of armchairs with strong personality. At the origin of all of them, a long experimentation centred on the production technology of thermoformed leather, starting from a plastic shell that is inserted into a mould for the cold foaming of polyurethane, with the result of obtaining elasticity and comfort.

Technical information

Innenrahmen

Schale aus Glasfaser

Innenrahmen Füllung (Kernleder und Leder Version)

kalt elastischer Polyurethanschaum

Innenrahmen Füllung (gepolstert Version)

kalt elastischer Polyurethanschaum, geformtes Polyurethan, Futter aus Polyesterfaser

Drehbares Kreuz-Untergestell

Stahllaminat und fließgepresstes Aluminium

Traggestell (MPRN_1-MPRI_1)

Stahlrohre und -profile

Drehbares Untergestell (MPGL-MPGIL)

Stahlprofile, Massivholz

Kopfstütze (MPRP)

Polyesterfaser, Futter aus Baumwolle, Gegengewicht aus Aluminium eloxiert und Stahl

Gleiter

Material thermoplastisch

Bezug (gepolstert Version)

Stoff in begrenzten Kategorien

Bezug (Kernleder und Leder Version)

Kernleder oder Leder in begrenzten Kategorien
